

JELEBU

— DRY LAKSA —

CHEF RENÉE TANG

Tipsy Collective is thrilled to be joining forces with Chef Renée Tang for this exciting venture to bring the familiar yet unique taste of Singapore's iconic laksa dish to the market! Chef Renée started Jelebu Dry Laksa from her humble abode when COVID-19 hit. Owing to her innovative take on Singapore's signature laksa dish, Jelebu Dry Laksa quickly became an instant hit.

Chef Renée has stamped her own modern twist on local dishes and we welcome you to have a taste of her one-of-a-kind, handcrafted creations.

JELEBU DRY LAKSA

Featuring Chef Renée's closely guarded rempah recipe made with an array of herbs and spices, Jelebu Dry Laksa also uses a specific rice noodle for that unbeatable texture. The noodles are first simmered in the thick broth of the laksa, allowing it to soak up the best flavours from her shrimp-heavy laksa broth. Thereafter, the dish is topped with fresh seasonal seafood that is uncommon to see in laksa (but so, so delicious). Luxe soft shell crab, grilled prawns, crispy squid and crispy ebi elevate the already decadent and scrumptious laksa!
